In France, the route covers 850 km from Le Perthus to Menton.

The itinerary offers a wide variety of remarkable landscapes: the Pyrenees and Alpine mountains, the lagoons of Narbonne, Languedoc and Camargue, the Canal du Midi and the Rhône to Sète canal, Provençal hinterland, and the beaches of Languedoc, Roussillon and the Côte d'Azur.

The route connects with the *Canal des Deux Mers à Vélo* via the Canal du Midi and with *ViaRhôna* between Sète and Beaucaire.
